Date: Friday 22nd September 2023

Rivelin Library

Thanks to our families at Rivelin, the PTA have raised enough money to fund our school library developments. Next week, a brand new carpet will be fitted, followed by new soft furnishings. Today, Mrs Horbury and Miss Baker have sent out a library survey for children to complete at home, including questions about books and decorations. Please help your child to complete the survey and send it back to school next week. We really value the children's opinions!

Outstanding Behaviour

Standards have been impeccably high at Rivelin since the start of the new academic year. Our new starters have shown excellent learning behaviours and children have risen to the challenge of 'Fantastic Walking' around our communal spaces. Visitors to school, including new families and headteachers within the locality, have recognised that children at Rivelin follow our Whole School Core Values. We are proud of everyone at Rivelin for making school a happy place to be.

Planting and Harvesting

Last week the children in Reception harvested the pumpkins that were sown last year. They also planted daffodil bulbs and talked about how they would flower after Christmas at the end of Winter.

Outdoor Disco

Don't forget about our Outdoor Disco on Monday 25th September. The playlist is ready!
