Issue 6

Date: Friday 13th October 2023

Talking about feelings...

As part of World Mental Health Day, our Talk Assemblies this week have been focussed upon discussing the 'Zones of Regulation'. Our discussions helped us to identify emotions and various techniques and strategies to help us achieve emotional regulation.

Open Classrooms Next Week!

We are looking forward to sharing our learning with you next week. There is so much to celebrate, including singing, poetry recitals and topic learning. Please check the school calendar for your date and time.

Art After School Club

Our after school club children produced some impressive art work this week. The children learned about Neurographic Art that included using rounding out skills and mixing colours.

Musical Talents

Solin in Y6, is currently having weekly piano lessons outside of school. During her lunch time, for 10 minutes everyday, Solin uses the school piano to practise the tunes she is learning. It is a pleasure to hear her play and it won't be long before she's ready to perform her pieces to her friends.

Halloween Costume Sale and Raffle Tickets

Get your pennies ready! Next Friday 20th October, the PTA are going to be selling Halloween costumes and raffle tickets to win exciting prizes. There will also be a Halloween Bake sale on Tuesday October 31st for those of you with a sweet tooth!

Excellence for every child every day
