Enjoy October Break!

On behalf of all the staff at school, I would like to thank parents and carers for your ongoing support at Rivelin. It has been an extremely busy half term and the children and staff have worked very hard. I hope you all enjoy a rest and we look forward to seeing you back at school on Monday 30th October.

Open Classrooms

Open classrooms have been a real treat this week. They have been full of songs, topic quizzes and performances. The children love to share their learning with you and your support is very much appreciated. There will be information about next terms events in the near future, which will include bake sales and exciting opportunities leading up to Christmas.

Y4 Visit from the Dentist

The children learned about which foods can help to keep our teeth strong, and how to keep our teeth and gums clean and healthy. Then they discussed why they don't need to feel afraid to visit the dentist.

EYFS Autumn Treasure Walk

I really enjoyed my autumn walk with the reception classes on Tuesday morning. We collected autumn treasures, including conkers, acorns and different types of leaves. The children then used them to make sticky pictures. Thank you to all our family volunteers for your support. I'm looking forward to the next one!

Wrap Up Warm

As the temperature is dropping, we ask you to send your child to school in a warm coat. Children may also benefit from a hat, scarf and gloves to keep themselves nice and warm during playtimes.

Excellence for every child every day
