Personal Development

At Rivelin, we believe that personal development plays a huge part in achieving success at school. Effective personal development involves: developing a good sense of character through our 'Core Values'; having a clear understanding of British Values; having an ability to keep safe (whether online or outside crossing a road) and learning about how to keep healthy both physically and mentally. This week, during Talk Assemblies, children have learned about the importance of brushing their teeth and going to the dentist. We also shared examples of good 'personal hygiene', which included ideas like regular handwashing with soap before eating and after going to the toilet.

Y3 Art skills

There's been beautiful artwork produced this week at Rivelin, with a focus on using drawing skills. Y3 Woodpeckers class spent an afternoon practising their shading skills. Well done!

Star Writers in Y3

Chester and Jacob both received a gold headteacher's sticker for writing super narratives based on the story 'Lost and Found' by Oliver Jeffers. Their writing included carefully selected vocabulary to paint a picture for the reader. They were very proud of themselves. Well done!

Y4 Roman Day

The Y4 children thoroughly enjoyed our Roman day this week. They baked honey biscuits, worked together to build aqueducts, and created fabulous mosaic designs. Mr Smith, Mrs M, and Mrs Oates were so proud of the children displaying their core values of curiosity and determination. Well done Y4!
