Date: Friday 22<sup>nd</sup> March 2024

### Chick, chick, chick, chick, chicken!

This week the children in Reception have been fascinated to observe the chicks in our eggs pipping and then finally hatching!

### Parents Evenings

Thank you to all our parents and carers for showing your support at our Parents Evenings this week. Teachers are so pleased with the level of support, appreciation and interest that you have shown. If you haven't had an appointment this week, please get in touch with the office or your class teacher to arrange.

### Ballet and Contemporary Dance

The after school dance club has been a huge hit with our children. Whilst having lots of fun, the children learn about barre work, positions of the body, choreographed dances and French terminology.

There is going to be an additional ballet after school club next half term on Thursdays for Y4, Y5 and Y6s, so sign your child up quickly if they are interested. There will be 25 spaces available.

### Lost KSI Scooter

Unfortunately a scooter, that belongs to a child in KS1, has gone missing. If you know anything about its whereabouts, could you please inform a member of SLT so that it can be returned. The image to the right is similar to the one we are looking for.
