A New Term!

Welcome back to all our families and staff. I hope you all had a restful Easter break. We are excited to begin the summer term, which we know, is going to be a busy one! We will be holding our annual Mayfest on Friday 17th May.

This week, children have shown lots of enthusiasm for their new topics. Here are a few highlights that have been going on in school.

Y2 Wonderful Writing

Miss Smith and Mrs Pehl have been super impressed this week with their Y2 classes. They said, "We have begun exploring our new story 'Jack and the Baked Beanstalk' this week. The children have enjoyed describing the main characters using some ambitious adjectives. We are looking forward to finding out what happens next in the story."

Rivelin Valley Spring Walk

On Tuesday, Reception went on a walk through the Rivelin Valley. They looked for signs of Spring and collected Spring treasures. The children showed our core value of 'Respect for the local environment.'

Titanic in Y3

This week in Y3, we are stepping back in time to 1912 in both our History and English lessons. We are finding out about the Titanic and using clues from the past to build a picture of what it must have been like onboard.
