Personal Statement

I joined the governing board as a parent governor, becoming co-opted in 2024. I have two children at the school who both have benefited from Rivelin’s teaching and support. Being part of the governing board has provided me with new learning opportunities which I have enjoyed, education is a new area for me!

My career centres around children, young people and vulnerable adults. I have 15 years’ experience as Service Manager for an accommodation provision Looked After Children, teenagers with offending behaviours and homeless young people. More recently I moved to a commissioning role with the local authority focussing on quality assurance within private sector children’s homes.
