A Whopping £895.20!

Last week's fundraiser was a huge success. The children, families and staff had a lovely time at the 'Welcome Back to School Disco' and together, as a community we raised £895.20. Money raised goes towards our school priorities, which include developing the library and enhancing our curriculum with engaging resources and special events. Well done everyone!

Y6s Explore Longshaw

As part of their guaranteed enrichment during Y6, the children have loved having the time to explore the Peak District!

Better Playtimes!

We recently invested in some new playtime resources for the children. Playtimes are fun, exciting and a chance to develop physical and social skills. Everyone seems to be enjoying themselves on the yard!
