Y6 at Pizza Express

The children loved making pizzas at Pizza Express and couldn't wait to take them home to eat. They were very respectful whilst in the restaurant and when getting on the tram.

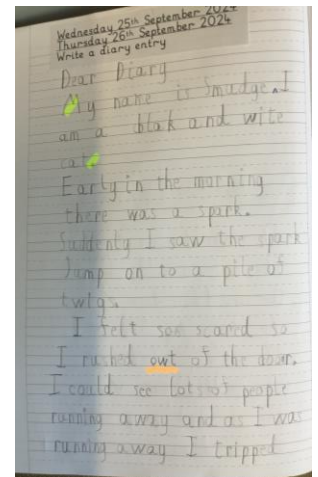

Road Safety at Rivelin

Rivelin children keep turning up for their shifts on time and are so engaged in their role to prevent road traffic becoming dangerous around our school. Thank you to all of our parents for being so encouraging of our Junior Road Safety Officers. They are doing a great job!

Great Fire of London

In Y2 we have been learning about how the Great Fire of London started. We have learnt that it started in 1666 in a bakery on Pudding Lane. It started from a spark landing on a pile of twigs in Thomas Farriner's bakery.

Excellence for every child every day
