### Y6 Science Trip to Magna Science Centre - Wednesday 4<sup>th</sup> June 2025

Dear Parent/Carers,

We have organised a trip to science Magna centre as part of our science curriculum this year. Magna science centre covers two of our science topics, light and electricity, as well as covering topics the Y6s will have previously studied in Y5. It is a chance for the Y6s to experience hands on science and revisit prior learning.

The cost of this trip is £15 per child. This cost covers the price of the coach and the admission fee.

Please make sure your child brings a spare change of clothes as there is a water section in the centre that the children will be exploring. They will also have access to the aqua-tek outside and weather dependent, will be allowed to go in it.

Children will be travelling by coach to Magna Science Centre which will depart at 9:15am and be back for 3pm. Your child needs to arrive at school wearing school uniform and bring a packed lunch and a water bottle. Please make sure your child arrives at school on time.

Kind regards,  
Miss Hague and Mrs Horbury

Please complete and return the permission slip by Friday 23<sup>rd</sup> May 2025
