Nursery feed the ducks at the Rivelin Valley!

This week the children in Nursery visited the Rivelin Valley. The children loved visiting this amazing place on our doorstep and even had time to feed the ducks!

Y4 visit Yorkshire Water

The Pipistrelles had a great time at Yorkshire Water this week. Using their Core Value of curiosity, they explored how water is processed, all about the water cycle and even, what happens to all our sewage! It was such a fun, informative trip, the Y4 children did our school proud. Well done Y4!

Mother's Day Pop up market

This Friday the PTA ran a special pop-up market for Mother's Day. Children were able to buy a small gift to give to their mother, step-mother, grandmother or anyone special in their lives. A big thank you to the PTA for organising the pop-up market!

Red Nose Day

Today the school was turned a brilliant shade of red as children and staff dressed in red to celebrate Red Nose Day. It was wonderful to see all the different outfits children were wearing and thank you for all the £1 donations as well. These really do add up and contribute to help such a worthwhile cause like Red Nose Day.
